OTHER IMPORTANT THINGS

- We'd appreciate if you could provide content at least 2 days in advance – this helps us to make sure that everything is tested before your campaign starts.
- All content is displayed at native screen resolution – contact our team if you want to understand more about how an image will be displayed.
- We hate to do this, but there will be a small fee for any files that we need to reformat.

Send files under 4MB via email. Use a sharing service like Hightail, Dropbox or Google Drive for larger files. Send artwork to admin@bigimpactadvertising.com.au
